## SUMMER CLIMATE IN CROATIA

Croatia has two climates, as you may well expect – one along the coastline, and one for the interior of the country. Coastal Croatia has warm to hot summers , with July and August being the hottest months. For those planning on enjoying Croatia during the low season, swimming should be in order from mid to late May. For those venturing in the interior, average temperatures in the summer would be around the low 20s °C (70°F).

**DAY 1** — PORTO MONTENEGRO - DUBROVNIK

Board **MY QUARANTA** in Marina Porto Montenegro, situated in the beautiful bay of Kotor.

From here, we will get under way, taking in the dramatic scenery around the bay of Kotor whilst enjoying a leisurely lunch, perhaps followed by a swim, before heading out to open sea and making our way North to the beautiful medieval city of Dubrovnik , 32 nm – 2 hours.

An early evening arrival in Dubrovnik will give a perfect opportunity to have a stroll ashore and take in the ambiance of this incredible 7th century UNESCO world heritage city. The city is host to major brand boutiques, Michelin starred restaurants and an array of charming little side streets to explore.

**DAY 2** — DUBROVNIK – ISLE OF KOLOCEP - MLJET

Enjoy a lazy paced morning at anchor before taking in a little more of what Dubrovnik has to offer.

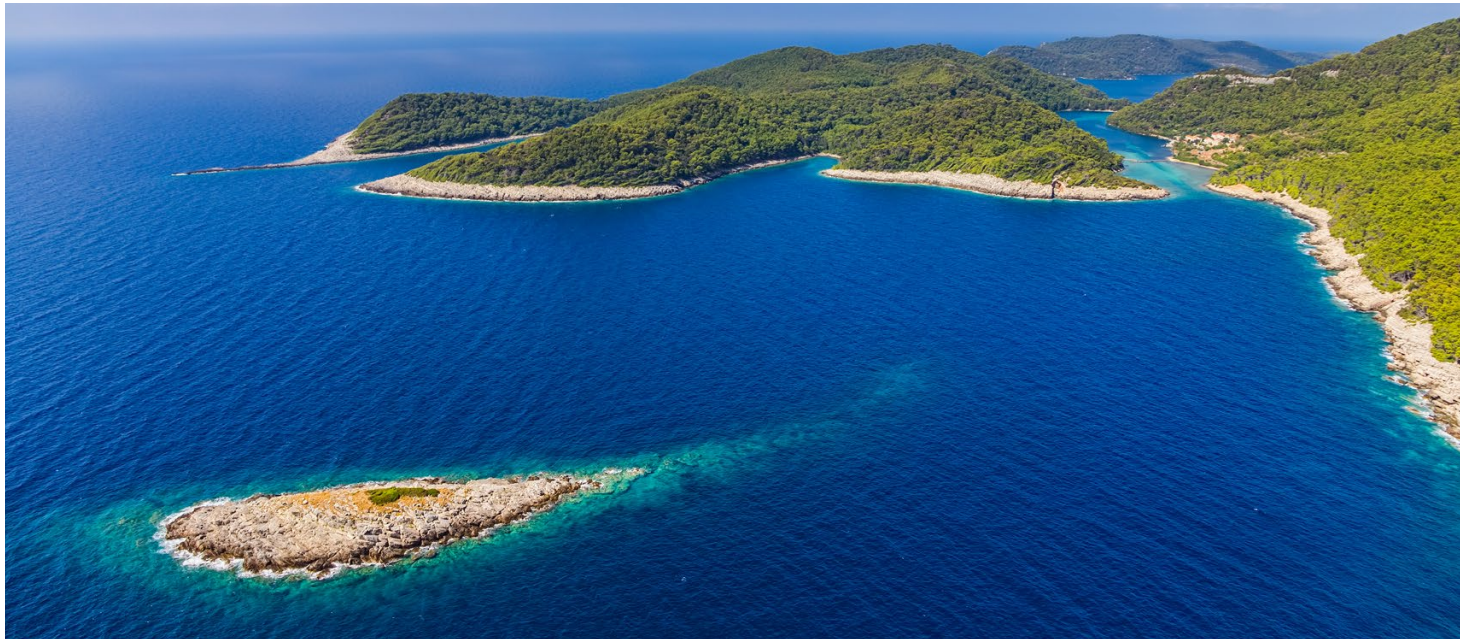
We will then spend the first part of the afternoon under way to the Isle of Kolocep, 4.5 nm – 30 minutes away, where we will have lunch and spend the afternoon at anchor, enjoying some watersports and relaxing!

A quiet dinner on board will be followed by a moonlight cruise up to the Island of Mljet, 24 nm – 1 hour 40 minutes cruising.

## **DAY 3** — MLJET

Wake up with a new view! The beautiful Island of Mljet offers complete peace and tranquility and is surrounded by stunning clear water. The island is a National Park and as such is very unspoilt.

We will spend a relaxing morning here, before lunch on board. Following lunch, we will head North East to Korcula for a late afternoon arrival. We can spend the evening on the dock here, allowing you to get on to dry land and explore yet another stunning town. 25 nm – 1 hour 45 minutes cruising.

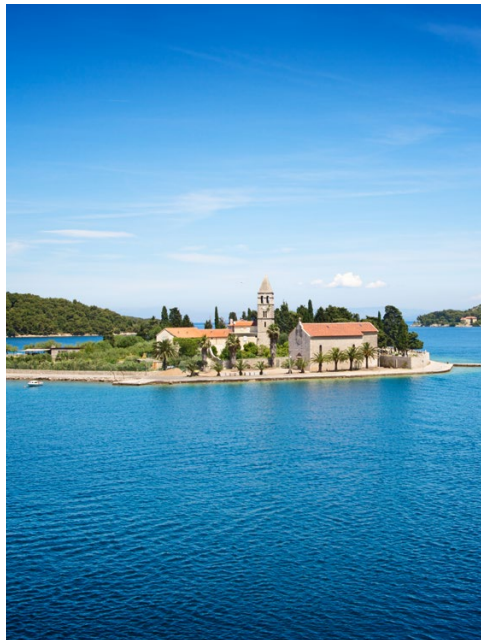


**DAY 4** — KORCULA - VIS

We will leave our berth here after breakfast and head across to the Island of Vis 45 nm – 3 hours cruising.

This beautiful island of only 90 square miles is the home of Croatian wine. With 25% of the island covered in vines, a wine tasting here is top of the list of things to do ! Add to this some of the most beautiful hidden beaches and bays in the Adriatic, and you have a recipe for a great visit!

We will spend most of our day here beforeheading to the bright lights of Hvar 18 nm – 1 hour 20 minutes cruising.



## **DAY 5** — HVAR

Known as the St Tropez of the Adriatic, Hvar is as lively as it gets in this area! We will be able to take the boat to the dock in Hvar and be central to the hustle and bustle of this great little town.

Until recently, Hvar was a quiet fishing town but the onset of tourism has turned it in to one of the most cosmopolitan towns in the Adriatic. Designer boutiques, stunning restaurants and a café culture make this place a must on the 'to visit' list.

We will spend the evening here as well as the next day so that you can get a real feel for the vibrancy of this great town.

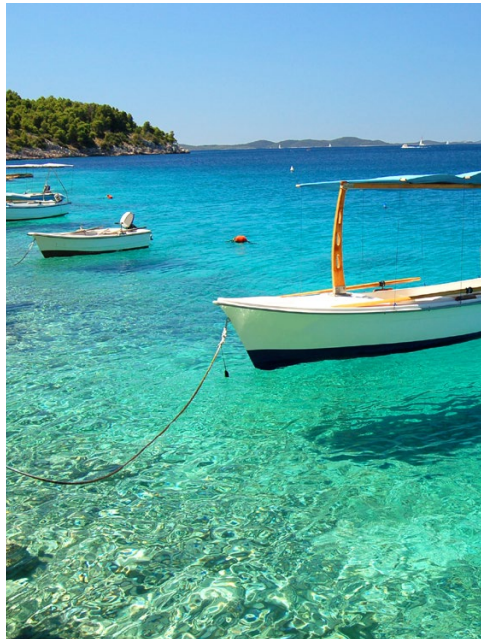
## **DAY 6** — HVAR - BRAC

We will spend the morning on the dock here so that you can make the most of the shopping or perhaps have a good look around the beautiful old town.

We will depart Hvar early in the afternoon for a short hop across to the Island of Brac where we can relax and get over the Hvar leg of the trip!

Brac is a very low island with many beautiful sandy beaches and crystal clear water all around. Brac is famous for the stone that they quarry here, in fact, the stone that built the White House in Washington came from here.

A very lazy afternoon and evening taking in some water sports and generally relaxing!



## **DAY 7** — BRAC - TROGIR

Spend the day at anchor in Brac, making the most of the surroundings and getting in some serious water sports!

We could even get you set up on one of the beautiful beaches here for a BBQ lunch ashore!

We will leave Brac towards the end of the day and make our way across to Trogir for the evening. Trogir is another UNESCO World Heritage Site and dates back to the 3rd century BC. We can take the yacht alongside here in Trogir so that once again, you can get a real feel for the city.

## **DAY 8** — TROGIR

Spend the morning alongside in Trogir before a midday disembarkation to Split airport which is a four mile drive away from Trogir.
